

Northwind Robotics

Annual Report 2023

Executive Summary

Northwind Robotics was founded in 2015 and is headquartered in Austin. The company is led by Chief Executive Officer James Chen, with financial oversight provided by Chief Financial Officer Fatima Kowalski. As of the close of fiscal year 2023, Northwind Robotics employed approximately 9,015 people across its global operations. This report summarizes financial performance, operational highlights, and strategic priorities for the year ahead.

Financial Performance

In the third quarter of 2023, Northwind Robotics reported revenue of \$69.1 million, representing a year-over-year growth rate of -3.6% compared to the same quarter in the prior year. Management attributes this performance to continued demand in core markets and disciplined cost management across business units.

Metric	Value
Q3 Revenue	\$69.1M
YoY Growth	-3.6%
Employees	9,015
Headquarters	Austin
Founded	2015

Strategic Priorities

Looking ahead, Northwind Robotics will focus on three strategic pillars: operational efficiency, sustainable growth, and workforce development. The leadership team, under James Chen's direction, has committed to expanding investment in employee training programs and modernizing core infrastructure. The board has expressed confidence in the company's long-term trajectory and its ability to navigate evolving market conditions while maintaining its commitment to quality and customer satisfaction across all regions of operation.
