

Ironvale Materials

Annual Report 2023

Executive Summary

Ironvale Materials was founded in 2013 and is headquartered in Krakow. The company is led by Chief Executive Officer James Torres, with financial oversight provided by Chief Financial Officer Elena Kowalski. As of the close of fiscal year 2023, Ironvale Materials employed approximately 10,565 people across its global operations. This report summarizes financial performance, operational highlights, and strategic priorities for the year ahead.

Financial Performance

In the third quarter of 2023, Ironvale Materials reported revenue of \$223.2 million, representing a year-over-year growth rate of 3.6% compared to the same quarter in the prior year. Management attributes this performance to continued demand in core markets and disciplined cost management across business units.

Metric	Value
Q3 Revenue	\$223.2M
YoY Growth	3.6%
Employees	10,565
Headquarters	Krakow
Founded	2013

Strategic Priorities

Looking ahead, Ironvale Materials will focus on three strategic pillars: operational efficiency, sustainable growth, and workforce development. The leadership team, under James Torres's direction, has committed to expanding investment in employee training programs and modernizing core infrastructure. The board has expressed confidence in the company's long-term trajectory and its ability to navigate evolving market conditions while maintaining its commitment to quality and customer satisfaction across all regions of operation.
